MX Elders:

Dave Weiler asked for a list of the most recent groups. I have scanned and attached the information in the brochure from last year's Ministry Fair. It's the 2023 list, with 10 groups listed, including the ACTS and Young Adult ministries. There are six Huddle Groups, including the Circle of Friends and Ladies Bible Study groups.

I don't have a list of individuals in the groups; however, I imagine they remain the same year after year. It's hard to get information from all the group leaders. But I guess about 2/3 of the adult membership participates in groups. Note that this does not include the weekly youth group meetings, which adds to the number participating in groups.

Some of the groups have met to discuss Jeff Kryder's sermons, so if you all would like them to discuss the elder sermons to be delivered over the next few months, please let me know so I can encourage them to delve deeper into your messages and commit to putting your ideas into action.

I will send out an email, or possibly have letters mailed to the group leaders, once I know what other ideas you would like me to communicate.

I am sure that you know the groups are praying for you during this time of transition. Our group is.

For the kingdom,

Dale
