Katie,

**The ACTS Committee is grateful for the work you are doing with the ACTS ministry.** You are doing an amazing job with the ministry since taking over from AJ Bennett.

To recognize your efforts we have approved the following:

1. A 4% salary increase, which will also increase your retirement benefit.
2. Pay your health insurance premium increase. We have had to switch health care providers (from Cigna + Oscar to Anthem MEWA) because the renewal rates were unreasonable and it is expected that your health insurance premiums will increase by as much as \$3,000.00 for 2024 (\$250/month).

The Committee does not get frequent opportunities to talk with you face-to-face but know that **we support your work, appreciate your talents and dedication, and are here when/if you need any assistance.** May God continue to fill you as you pour out blessings on the college students.
