My attached resume shows the highlights from my years of professional experience.

My passion for this ministry, combined with my love for God, make me eager to partner with your congregation.

During my time in ministry, I have honed my counseling skills, providing guidance and support to young people, their families and other adults. I have also planned numerous special events, including retreats and service projects. These events have allowed for meaningful community connections and a deepening of religious understanding. Additionally, I have preached many sermons for my congregation, providing clear and concise explanations that have helped many to better understand their faith.

My experience has equipped me with the ability to connect with individuals on a personal level, understand their needs and desires, and offer guidance that is both practical and spiritually grounded. These skills will be particularly relevant as a Minister, as I will be able to provide support and guidance to members of the congregation during difficult times.
